This document contains responses from the law firm listed above to a questionnaire distributed by NCMEC (questions are in **bold text**). Responses to the questionnaire may be limited to officially enacted legislation; it is possible that actual practice or enforcement of the law varies, and relevant court rulings or case law may also differ from legislative text. Responses have been reformatted and may have been slightly edited for clarity. Furthermore, responses may include commentary, paraphrasing, and unofficial translations of source material (e.g., national legislation) originally produced in other languages. Only official source documents in official languages should be relied upon as legally binding. This document serves to inform further research and does not constitute legal advice from NCMEC or the listed law firm.

- g. use any specific technology to detect, remove, block, or take down any child pornography, CSAM, enticement, grooming, or sextortion, including:
 - i. "Hashing technology" (https://www.thorn.org/blog/hashing-detect-child-sexabuse-imagery/). Many Online Platforms hash and tag images and videos of child pornography or CSAM and then use hashing technology to scan content on their systems to detect the distribution of child pornography or CSAM online so it can be removed.
 - ii. Artificial intelligence or machine learning tools to detect the presence of child pornography, CSAM, enticement, grooming, or sextortion.

Indian laws do not require online platforms to use any specific technology to detect, remove, block, or take down any child pornography, CSAM, enticement, grooming, or sextortion.

h. if the applicable laws or regulations require some, but not all, Online Platforms to perform any of the above activities, describe how the differing requirements apply. For example, are differences based on the number of online users, types of services offered, etc.?

Under the Information Technology (Guidelines for Intermediaries and Digital Media Ethics Code) Rules, 2021, only a 'significant social media intermediary' is required to undertake the following activities on its systems to protect children online from sexual exploitation:

- (a) review, screen, moderate, or detect content to identify child pornography or CSAM content;
- (b) review, screen, moderate, or detect content to identify enticement, grooming, or sextortion of a child; and

(c) review content by human moderators to screen or moderate for child pornography or CSAM.

Significant social media intermediary means a social media intermediary (i.e., an intermediary which primarily or solely enables online interaction between two or more users and allows them to create, upload, share, disseminate, modify or access information using its services) having fifty lakh registered users in India.

- 3. Are Online Platforms legally required or recommended to implement any method to verify the age of a user before allowing access to an online platform?

For undertaking Customer Due Diligence (CDD), Regulated Entities (REs) shall obtain the following from an individual while establishing an account-based relationship or while dealing with the individual who is a beneficial owner, authorised signatory or the power of attorney holder related to any legal entity:

- (a) the Aadhaar number where,
 - (i) he is desirous of receiving any benefit or subsidy under any scheme notified under section 7 of the Aadhaar (Targeted Delivery of Financial and Other subsidies, Benefits and Services) Act, 2016 (18 of 2016); or
 - (ii) he decides to submit his Aadhaar number voluntarily to a bank or any RE notified under first proviso to sub-section (1) of section 11A of the Prevention of Money Laundering Act, 2002; or
 - (aa) the proof of possession of Aadhaar number where offline verification can be carried out; or

- (ab) the proof of possession of Aadhaar number where offline verification cannot be carried out or any officially valid documents (OVD) or the equivalent e-document thereof containing the details of his identity and address; or
- (ac) the KYC Identifier with an explicit consent to download records from Central Know Your Customer Registry (CKYCR); and
- (b) the Permanent Account Number or the equivalent e-document thereof or Form No. 60 as defined in Income-tax Rules, 1962; and
- (c) such other documents including in respect of the nature of business and financial status of the customer, or the equivalent e-documents thereof as may be required by the RE:

Provided that where the customer has submitted,

- i) Aadhaar number under clause (a) above to a bank or to a RE notified under first proviso to sub-section (1) of section 11A of the PML Act, such bank or RE shall carry out authentication of the customer's Aadhaar number using e-KYC authentication facility provided by the Unique Identification Authority of India. Further, in such a case, if customer wants to provide a current address, different from the address as per the identity information available in the Central Identities Data Repository, he may give a selfdeclaration to that effect to the RE.
- ii) proof of possession of Aadhaar under clause (aa) above where offline verification can be carried out, the RE shall carry out offline verification.
- iii) an equivalent e-document of any OVD, the RE shall verify the digital signature as per the provisions of the Information Technology Act, 2000 (21 of 2000) and any rules issues thereunder and take a live photo as specified under Annex I.
- iv) any OVD or proof of possession of Aadhaar number under clause (ab) above where offline verification cannot be carried out, the RE shall carry out verification through digital KYC as specified under Annex I.
- v) KYC Identifier under clause (ac) above, the RE shall retrieve the KYC records online from the CKYCR in accordance with Section 56.

Provided that for a period not beyond such date as may be notified by the Government for a class of REs, instead of carrying out digital KYC, the RE pertaining to such class may obtain a certified copy of the proof of possession of Aadhaar number or the OVD and a recent photograph where an equivalent e-document is not submitted.

Provided further that in case e-KYC authentication cannot be performed for an individual desirous of receiving any benefit or subsidy under any scheme notified under section 7 of the Aadhaar (Targeted Delivery of Financial and Other subsidies, Benefits and Services) Act, 2016 owing to injury, illness or infirmity on account of old age or otherwise, and similar causes, REs shall, apart from obtaining the Aadhaar number, perform identification preferably by carrying out offline verification or alternatively by obtaining the certified copy of any other OVD or the equivalent e-document thereof from the customer. CDD done in this manner shall invariably be carried out by an official of the RE and such exception handling shall also be a part of the concurrent audit as mandated in Section 8. REs shall ensure to duly record the cases of exception handling in a centralised exception database. The database shall contain the details of grounds of granting exception, customer details, name of the designated official authorising the exception and additional details, if any. The database shall be subjected to periodic internal audit/inspection by the RE and shall be available for supervisory review.

Explanation 1: RE shall, where its customer submits a proof of possession of Aadhaar Number containing Aadhaar Number, ensure that such customer redacts or blacks out his Aadhaar number through appropriate means where the authentication of Aadhaar number is not required as per proviso (i) above.

Explanation 2: Biometric based e-KYC authentication can be done by bank official/business correspondents/business facilitators.

Explanation 3: The use of Aadhaar, proof of possession of Aadhaar etc., shall be in accordance with the Aadhaar (Targeted Delivery of Financial and Other Subsidies Benefits and Services) Act, 2016 and the regulations made thereunder.

Accounts opened using Aadhaar OTP based e-KYC, in non-face-to-face mode, are subject to the following conditions:

- i. There must be a specific consent from the customer for authentication through OTP.
- As a risk-mitigating measure for such accounts, REs shall ensure that transaction alerts, OTP, etc., are sent only to the mobile number of the customer registered with Aadhaar. REs shall have a board approved policy delineating a robust process of due diligence for dealing with requests for change of mobile number in such accounts.
- iii. The aggregate balance of all the deposit accounts of the customer shall not exceed rupees one lakh. In case, the balance exceeds the threshold, the account shall cease to be operational, till CDD as mentioned at (vi) below is complete.
- iv. The aggregate of all credits in a financial year, in all the deposit accounts taken together, shall not exceed rupees two lakh.
- v. As regards borrowal accounts, only term loans shall be sanctioned. The aggregate amount of term loans sanctioned shall not exceed rupees sixty thousand in a year.
- vi. Accounts, both deposit and borrowal, opened using OTP based e-KYC shall not be allowed for more than one year unless identification as per Section 16 or as per Section 18 (V-CIP) is carried out. If Aadhaar details are used under Section 18, the process shall be followed in its entirety including fresh Aadhaar OTP authentication.
- vii. If the CDD procedure as mentioned above is not completed within a year, in respect of deposit accounts, the same shall be closed immediately. In respect of borrowal accounts no further debits shall be allowed.
- viii. A declaration shall be obtained from the customer to the effect that no other account has been opened nor will be opened using OTP based KYC in nonface-to-face mode with any other RE. Further, while uploading KYC information to CKYCR, REs shall clearly indicate that such accounts are opened using OTP based e-KYC and other REs shall not open accounts based on the KYC information of accounts opened with OTP based e-KYC procedure in non-face-to-face mode.
- ix. REs shall have strict monitoring procedures including systems to generate alerts in case of any non-compliance/violation, to ensure compliance with the above mentioned conditions.

REs may undertake video based customer identification process (V-CIP) to carry out:

- CDD in case of new customer on-boarding for individual customers, proprietor in case of proprietorship firm, authorised signatories and Beneficial Owners (BOs) in case of Legal Entity (LE) customers. Provided that in case of CDD of a proprietorship firm, REs shall also obtain the equivalent e-document of the activity proofs with respect to the proprietorship firm, as mentioned in Section 28 and Section 29, apart from undertaking CDD of the proprietor.
- ii) Conversion of existing accounts opened in non-face to face mode using Aadhaar OTP based e-KYC authentication as per Section 17.
- iii) Updation/Periodic updation of KYC for eligible customers.

REs opting to undertake V-CIP, shall adhere to the following minimum standards:

- (a) V-CIP Infrastructure
 - i) The RE should have complied with the RBI guidelines on minimum baseline cyber security and resilience framework for banks, as updated from time to time as well as other general guidelines on IT risks. The technology infrastructure should be housed in own premises of the RE and the V-CIP connection and interaction shall necessarily originate from its own secured network domain. Any technology related outsourcing for the process should be compliant with relevant RBI guidelines. Where cloud deployment model is used, it shall be ensured that the ownership of data in such model rests with the RE only and all the data including video recording is transferred to the RE's exclusively owned / leased server(s) including cloud server, if any, immediately after the V-CIP process is completed and no data shall be retained by the cloud service provider or third-party technology provider assisting the V-CIP of the RE.
 - ii) The RE shall ensure end-to-end encryption of data between customer device and the hosting point of the V-CIP application, as per appropriate encryption standards. The customer consent should be recorded in an auditable and alteration proof manner.
 - iii) The V-CIP infrastructure / application should be capable of preventing connection from IP addresses outside India or from spoofed IP addresses.
 - iv) The video recordings should contain the live GPS co-ordinates (geo-tagging) of the customer undertaking the V-CIP and date-time stamp. The quality of the live video in the V-CIP shall be adequate to allow identification of the customer beyond doubt.
 - v) The application shall have components with face liveness / spoof detection as well as face matching technology with high degree of accuracy, even though the ultimate responsibility of any customer identification rests with the RE.
 Appropriate artificial intelligence (AI) technology can be used to ensure that the V-CIP is robust.
 - vi) Based on experience of detected / attempted / 'near-miss' cases of forged identity, the technology infrastructure including application software as well as work flows shall be regularly upgraded. Any detected case of forged identity

through V-CIP shall be reported as a cyber event under extant regulatory guidelines.

- vii) The V-CIP infrastructure shall undergo necessary tests such as Vulnerability Assessment, Penetration testing and a Security Audit to ensure its robustness and end-to-end encryption capabilities. Any critical gap reported under this process shall be mitigated before rolling out its implementation. Such tests should be conducted by the empanelled auditors of Indian Computer Emergency Response Team (CERT-In). Such tests should also be carried out periodically in conformance to internal / regulatory guidelines.
- viii) The V-CIP application software and relevant application programming interface (APIs) / webservices shall also undergo appropriate testing of functional, performance, maintenance strength before being used in live environment. Only after closure of any critical gap found during such tests, the application should be rolled out. Such tests shall also be carried out periodically in conformity with internal/ regulatory guidelines.
- (b) V-CIP Procedure
 - Each RE shall formulate a clear work flow and standard operating procedure for V-CIP and ensure adherence to it. The V-CIP process shall be operated only by officials of the RE specially trained for this purpose. The official should be capable to carry out liveness check and detect any other fraudulent manipulation or suspicious conduct of the customer and act upon it.
 - ii) Disruption of any sort including pausing of video, reconnecting calls, etc., should not result in creation of multiple video files. If pause or disruption is not leading to the creation of multiple files, then there is no need to initiate a fresh session by the RE. However, in case of call drop / disconnection, fresh session shall be initiated.
 - iii) The sequence and/or type of questions, including those indicating the liveness of the interaction, during video interactions shall be varied in order to establish that the interactions are real-time and not pre-recorded.
 - iv) Any prompting observed at end of customer shall lead to rejection of the account opening process.
 - v) The fact of the V-CIP customer being an existing or new customer, or if it relates to a case rejected earlier or if the name appearing in some negative list should be factored in at appropriate stage of work-flow.
 - vi) The authorised official of the RE performing the V-CIP shall record audio-video as well as capture photograph of the customer present for identification and obtain the identification information using any one of the following:
 - a) OTP based Aadhaar e-KYC authentication
 - b) Offline Verification of Aadhaar for identification
 - c) KYC records downloaded from CKYCR, in accordance with Section 56, using the KYC identifier provided by the customer d) Equivalent edocument of Officially Valid Documents (OVDs) including documents issued through DigiLocker RE shall ensure to redact or blackout the Aadhaar number in terms of Section 16.

In case of offline verification of Aadhaar using extensible markup language (XML) file or Aadhaar Secure QR Code, it shall be ensured that the XML file or QR code generation date is not older than three working days from the date of carrying out V-CIP.

Further, in line with the prescribed period of three working days for usage of Aadhaar XML file / Aadhaar QR code, REs shall ensure that the video process of the V-CIP is undertaken within three working days of downloading / obtaining the identification information through CKYCR / Aadhaar authentication / equivalent e-document, if in the rare cases, the entire process cannot be completed at one go or seamlessly. However, REs shall ensure that no incremental risk is added due to this.

- vii) If the address of the customer is different from that indicated in the OVD, suitable records of the current address shall be captured, as per the existing requirement. It shall be ensured that the economic and financial profile/information submitted by the customer is also confirmed from the customer undertaking the V-CIP in a suitable manner.
- viii) RE shall capture a clear image of PAN card to be displayed by the customer during the process, except in cases where e-PAN is provided by the customer. The PAN details shall be verified from the database of the issuing authority including through DigiLocker.
- ix) Use of printed copy of equivalent e-document including e-PAN is not valid for the V-CIP.
- x) The authorised official of the RE shall ensure that photograph of the customer in the Aadhaar/OVD and PAN/e-PAN matches with the customer undertaking the V-CIP and the identification details in Aadhaar/OVD and PAN/e-PAN shall match with the details provided by the customer.
- xi) Assisted V-CIP shall be permissible when banks take help of Business Correspondents (BCs) facilitating the process only at the customer end. Banks shall maintain the details of the BC assisting the customer, where services of BCs are utilized. The ultimate responsibility for customer due diligence will be with the bank.
- xii) All accounts opened through V-CIP shall be made operational only after being subject to concurrent audit, to ensure the integrity of process and its acceptability of the outcome.
- xiii) All matters not specified under the paragraph but required under other statutes such as the Information Technology (IT) Act shall be appropriately complied with by the RE.
- (c) V-CIP Records and Data Management
 - The entire data and recordings of V-CIP shall be stored in a system / systems located in India. REs shall ensure that the video recording is stored in a safe and secure manner and bears the date and time stamp that affords easy historical data search. The extant instructions on record management, as stipulated in this MD, shall also be applicable for V-CIP.
 - ii) The activity log along with the credentials of the official performing the V-CIP shall be preserved.

7. Under the Information Technology (Guidelines for Intermediaries and Digital Media Ethics Code) Rules, 2021, only an online gaming intermediary (which enables its users to access online real money games) is required to implement methods to verify the age of a user before allowing access to the platform.

An online gaming intermediary means an intermediary that enables the users of its computer resource to access one or more online games.

An online real money game means an online game where a user makes a deposit in cash or kind with the expectation of earning winnings on that deposit.

Explanation - Winnings mean any prize, in cash or kind, which is distributed or intended to be distributed to a user of an online game based on the performance of the user and in accordance with the rules of such online game.

4. Are Online Platforms legally required or recommended to implement any method to obtain parental consent before a child uses the services of such Online Platforms?

- 1. Section 9 (Processing of Personal Data of Children) of the Digital Personal Data Protection Act, 2023, available at https://egazette.gov.in/WriteReadData/2023/247847.pdf -
 - (1) The Data Fiduciary shall, before processing any personal data of a child or a person with disability who has a lawful guardian obtain verifiable consent of the parent of such child or the lawful guardian, as the case may be, in such manner as may be prescribed.

Explanation - For the purpose of this sub-section, the expression 'consent of the parent' includes the consent of lawful guardian, wherever applicable.

- (2) A Data Fiduciary shall not undertake such processing of personal data that is likely to cause any detrimental effect on the well-being of a child.
- (3) A Data Fiduciary shall not undertake tracking or behavioural monitoring of children or targeted advertising directed at children.
- (4) The provisions of sub-sections (1) and (3) shall not be applicable to processing of personal data of a child by such classes of Data Fiduciaries or for such purposes, and subject to such conditions, as may be prescribed.
- (5) The Central Government may, if satisfied that a Data Fiduciary has ensured that its processing of personal data of children is done in a manner that is verifiably safe, notify for such processing by such Data Fiduciary the age above which that Data Fiduciary shall be exempt from the applicability of all or any of the obligations under sub-sections (1) and (3) in respect of processing by that Data Fiduciary as the notification may specify.

Please note that:

- a) Section 2(i) of the Digital Personal Data Protection Act, 2023, available at <u>https://egazette.gov.in/WriteReadData/2023/247847.pdf</u>, defines 'data fiduciary' as any person who alone or in conjunction with other persons determines the purpose and means of processing of personal data.
- b) Section 2(w) of the Digital Personal Data Protection Act, 2023, available at <u>https://egazette.gov.in/WriteReadData/2023/247847.pdf</u>, defines 'Processing', in relation to personal data, to mean a wholly or partly automated operation or set of operations performed on digital personal data, and includes operations such as collection, recording, organisation, structuring, storage, adaptation, retrieval, use, alignment or combination, indexing, sharing, disclosure by transmission, dissemination or otherwise making available, restriction, erasure or destruction.
- c) Section 2(t) of the Digital Personal Data Protection Act, 2023, available at https://egazette.gov.in/WriteReadData/2023/247847.pdf, defines 'Personal data' as any data about an individual who is identifiable by or in relation to such data.

3. A data fiduciary (defined above) and an online gaming intermediary (which enables its users to access online real money games) is required to implement methods to obtain parental consent before processing the personal data of a child and allowing access to the platform, respectively.

An online gaming intermediary means an intermediary that enables the users of its computer resource to access one or more online games.

An online real money game means an online game where a user makes a deposit in cash or kind with the expectation of earning winnings on that deposit.

Explanation - Winnings mean any prize, in cash or kind, which is distributed or intended to be distributed to a user of an online game based on the performance of the user and in accordance with the rules of such online game.

- 5. Are there legal remedies for children who have been victimized by online child sexual exploitation? This may include children who are victimized by the distribution of child pornography or CSAM imagery in which they are depicted, or children victimized by enticement, grooming or sextortion. If such legal remedies exist, do they include:
 - a. The ability to stop the publication of the pornography or CSAM imagery by the Online Platform?
 - Rule 3(2)(b) (Due Diligence by an Intermediary) of the Information Technology (Intermediary Guidelines and Digital Media Ethics) Rules, 2021, available at <u>https://upload.indiacode.nic.in/showfile?actid=AC_CEN_45_76_00001_200021_151780732</u> <u>4077&type=rule&filename=intermediary_guidelines-dmec_rules_25-02-2021.pdf</u>

Grievance redressal mechanism of intermediary:

The intermediary shall, within twenty-four hours from the receipt of a complaint made by an individual or any person on his behalf under this sub-rule, in relation to any content which is prima facie in the nature of any material which exposes the private area of such individual, shows such individual in full or partial nudity or shows or depicts such individual in any sexual act or conduct, or is in the nature of impersonation in an electronic form, including artificially morphed images of such individual, take all reasonable and practicable measures to remove or disable access to such content which is hosted, stored, published or transmitted by it.

- 2. Section 6 (Consent) of the Digital Personal Data Protection Act, 2023, available at https://egazette.gov.in/WriteReadData/2023/247847.pdf
 - (1) The consent given by the Data Principal shall be free, specific, informed, unconditional and unambiguous with a clear affirmative action, and shall signify an agreement to the processing of her personal data for the specified purpose and be limited to such personal data as is necessary for such specified purpose.
 - (2) Any part of consent referred in Sub-Section (1) which constitutes an infringement of the provisions of this Act or the rules made thereunder or any other law for the time being in force shall be invalid to the extent of such infringement.
 - (3) Every request for consent under the provisions of this Act or the rules made thereunder shall be presented to the Data Principal in a clear and plain language,

giving her the option to access such request in English or any language specified in the Eighth Schedule to the Constitution and providing the contact details of a Data Protection Officer, where applicable, or of any other person authorised by the Data Fiduciary to respond to any communication from the Data Principal for the purpose of exercise of her rights under the provisions of this Act.

- (4) Where consent given by the Data Principal is the basis of processing of personal data, such Data Principal shall have the right to withdraw her consent at any time, with the ease of doing so being comparable to the ease with which such consent was given.
- (5) The consequences of the withdrawal referred to in Sub-Section (4) shall be borne by the Data Principal, and such withdrawal shall not affect the legality of processing of the personal data based on consent before its withdrawal.
- (6) If a Data Principal withdraws her consent to the processing of personal data under Sub-Section (5), the Data Fiduciary shall, within a reasonable time, cease and cause its Data Processors to cease processing the personal data of such Data Principal unless such processing without her consent is required or authorised under the provisions of this Act or the rules made thereunder or any other law for the time being in force in India.
- (7) The Data Principal may give, manage, review or withdraw her consent to the Data Fiduciary through a Consent Manager.
- (8) The Consent Manager shall be accountable to the Data Principal and shall act on her behalf in such manner and subject to such obligations as may be prescribed.
- (9) Every Consent Manager shall be registered with the Board in such manner and subject to such technical, operational, financial and other conditions as may be prescribed.
- (10) Where a consent given by the Data Principal is the basis of processing of personal data and a question arises in this regard in a proceeding, the Data Fiduciary shall be obliged to prove that a notice was given by her to the Data Principal and consent was given by such Data Principal to the Data Fiduciary in accordance with the provisions of this Act and the rules made thereunder.

An intermediary, on whose computer resource the information is stored, hosted or published, upon receiving actual knowledge in the form of an order by a court of competent jurisdiction or on being notified by the Appropriate Government or its agency

under clause (b) of sub-section (3) of section 79 of the Act, shall not host, store or publish any unlawful information, which is prohibited under any law for the time being in force in relation to the interest of the sovereignty and integrity of India; security of the State; friendly relations with foreign States; public order; decency or morality; in relation to contempt of court; defamation; incitement to an offence relating to the above, or any information which is prohibited under any law for the time being in force:

Provided that any notification made by the Appropriate Government or its agency in relation to any information which is prohibited under any law for the time being in force shall be issued by an authorised agency, as may be notified by the Appropriate Government:

Provided further that if any such information is hosted, stored or published, the intermediary shall remove or disable access to that information, as early as possible, but in no case later than thirty-six hours from the receipt of the court order or on being notified by the Appropriate Government or its agency, as the case may be:

Provided also that the removal or disabling of access to any information, data or communication link within the categories of information specified under this clause, under clause (b) on a voluntary basis, or on the basis of grievances received under sub-rule (2) by such intermediary, shall not amount to a violation of the conditions of clauses (a) or (b) of sub-section (2) of section 79 of the Act.

[Trilegal Note: As per Rule 4B of the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021, the obligations under this provision will not apply to online gaming intermediaries until the expiry of 3 months from the date on which the government notifies at least 3 online gaming self-regulatory bodies. The online gaming self-regulatory body, upon an application made to it by its member in respect of an online real money game, may declare such online real money game as a permissible online real money game, if, after making such inquiry as it deems fit, it is satisfied that -

- (a) the online real money game does not involve wagering on any outcome; and
- (b) the online gaming intermediary and such online game is in compliance with the provisions of rules 3 and 4, the provisions of any law relating to the age at which an individual is competent to enter into a contract, and the framework made by the online gaming self- regulatory body under sub-rule (8):

Provided that an online gaming self-regulatory body may, initially rely upon the information furnished by the applicant for verification of the online real money game and declare such game as a permissible online real money game for a period not exceeding three months:

Provided further that the online gaming self-regulatory body shall endeavour to complete the inquiry within the said period of three months and, upon its completion, either declare the online real money game as a permissible online real money game or inform the applicant in writing with the reasons thereof that such online game does not meet the requirements under these rules.

[Trilegal Note: As per Rule 4B of the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021, the obligations under this provision will not apply to online gaming intermediaries until the expiry of 3 months from the date on which the government notifies at least 3 online gaming self-regulatory bodies. Please note that online gaming self-regulatory bodies have not been notified yet.]

The online gaming self-regulatory body shall prominently publish on its website, mobile based application or both, as the case may be, a framework for verifying an online real money game, which, among other things, includes the following, namely -

- (a) the measures to ensure that such online real money game is not against the interests of sovereignty and integrity of India, security of the State, friendly relations with foreign States and public order;
- (b) the safeguards against user harm, including self-harm and psychological harm;
- (c) the measures to safeguard children, including measures for parental or access control and classifying online games through age-rating mechanism, based on the nature and type of content; and
- (d) the measures to safeguard users against the risk of gaming addiction, financial loss and financial fraud, including repeated warning messages at higher frequency beyond a reasonable duration for a gaming session and provision to enable a user to

exclude himself upon user-defined limits being reached for time or money spent.

[Trilegal Note: As per Rule 4B of the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021, the obligations under this provision will not apply to online gaming intermediaries until the expiry of 3 months from the date on which the government notifies at least 3 online gaming self-regulatory bodies. Please note that online gaming self-regulatory bodies have not been notified yet.]

B. Legal requirements for 6(a)(ii) -

Rule 4(1)(a) (Additional Due Diligence to be Observed by Significant Social Media Intermediary and Online Gaming Intermediary) of the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021, available at

https://upload.indiacode.nic.in/showfile?actid=AC_CEN_45_76_00001_2000 21_1517807324077&type=rule&filename=intermediary_guidelinesdmec_rules_25-02-2021.pdf

In addition to the due diligence observed under Rule 3, a significant social media intermediary, within three months from the date of notification of the threshold under clause (v) of sub-rule (1) of Rule 2, and an online gaming intermediary that enables the users to access any permissible online real money game, shall observe the following additional due diligence while discharging its duties, namely -

(a) appoint a Chief Compliance Officer who shall be responsible for ensuring compliance with the Act and rules made thereunder and shall be liable in any proceedings relating to any relevant third-party information, data or communication link made available or hosted by that intermediary or such online gaming intermediary where he fails to ensure that such intermediary observes due diligence while discharging its duties under the Act and rules made thereunder:

Provided that no liability under the Act or rules made thereunder may be imposed on such significant social media intermediary without being given an opportunity of being heard.

Explanation - For the purposes of this clause "Chief Compliance Officer" means a key managerial personnel or such other senior employee of a significant social media intermediary or an online gaming intermediary, as the case may be, who is resident in India.

[Trilegal Note: As per Rule 4B of the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021, the obligations under this provision will not apply to online gaming intermediaries until the expiry of 3 months from the date on which the government notifies at least 3

online gaming self-regulatory bodies. Please note that online gaming self-regulatory bodies have not been notified yet.]

b. Please include information about the parameters for monitoring, management, and enforcement of any legal or regulatory requirements for the Online Platform's incorporation of "Safety by Design"?

 Rule 7 (Non-Observance of Rules) of the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021, available at <u>https://upload.indiacode.nic.in/showfile?actid=AC_CEN_45_76_00001_200021_151780732</u> 4077&type=rule&filename=intermediary_guidelines-dmec_rules_25-02-2021.pdf

Where an intermediary fails to observe these rules, the provisions of sub-section (1) of section 79 of the Information Technology Act, 2000 shall not be applicable to such intermediary and the intermediary shall be liable for punishment under any law for the time being in force including the provisions of the Information Technology Act, 2000 and the Indian Penal Code.

[Trilegal Note: Please note that Section 79 (Exemption from Liability of Intermediary in Certain Cases) of the Information Technology Act, 2000, available at https://www.indiacode.nic.in/show-data?actid=AC_CEN_45_76_00001_200021_1517807324077§ionId=13094§ionno=67B&orderno=85, provides as follows:

- (1) Notwithstanding anything contained in any law for the time being in force but subject to the provisions of sub-sections (2) and (3), an intermediary shall not be liable for any third party information, data, or communication link made available or hosted by him.
- (2) The provisions of sub-section (1) shall apply if -
 - (a) the function of the intermediary is limited to providing access to a communication system over which information made available by third parties is transmitted or temporarily stored or hosted; or
 - (b) the intermediary does not-
 - (i) initiate the transmission,
 - (ii) select the receiver of the transmission, and
 - (iii) select or modify the information contained in the transmission;
 - (c) the intermediary observes due diligence while discharging his duties under this Act and also observes such other guidelines as the Central Government may prescribe in this behalf.
- (3) The provisions of sub-section (1) shall not apply if -
 - (a) the intermediary has conspired or abetted or aided or induced, whether by threats or promise or otherwise in the commission of the unlawful act;
 - (b) upon receiving actual knowledge, or on being notified by the appropriate Government or its agency that any information, data or communication link residing in or connected to a computer resource controlled by the intermediary is being used to commit the unlawful act, the intermediary fails to expeditiously remove or disable access to that material on that resource

without vitiating the evidence in any manner.

Explanation - For the purposes of this section, the expression "third party information" means any information dealt with by an intermediary in his capacity as an intermediary.]

2. Rule 4A(4) (Verification of Online Real Money Game) of the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021, available at https://upload.indiacode.nic.in/showfile?actid=AC_CEN_45_76_00001_200021_151780732 https://upload.indiacode.nic.in/showfile?actid=AC_CEN_45_76_00001_200021_151780732 https://upload.indiacode.nic.in/showfile?actid=AC_CEN_45_76_00001_200021_151780732

The online gaming self-regulatory body shall publish and maintain on its website, mobile based application or both, at all times, an updated list of all permissible online real money games verified under sub-rule (3), along with the details of such online games including the details of the applicant, the dates and period of validity of the verification, the reasons of such verification and the details of the suspension or revocation, if any, of verification of any online real money game.

The online real money game verified under sub-rule (3), and the online gaming intermediary which enables access to such online real money game, shall display a demonstrable and visible mark of such verification stating that the online real money game is verified by the online gaming self-regulatory body as a permissible online real money game under these rules.

4. Rule 4A(9) (Verification of Online Real Money Game) of the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021, available at <u>https://upload.indiacode.nic.in/showfile?actid=AC_CEN_45_76_00001_200021_151780732</u> 4077&type=rule&filename=intermediary_guidelines-dmec_rules_25-02-2021.pdf

The Ministry may, if it considers it necessary, by a notice in writing, require an online gaming self- regulatory body to furnish to the Ministry or disclose on such body's website or mobile based application or both, such information as the Ministry may specify in the notice.

5. Rule 4A(12) (Verification of Online Real Money Game) of the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021, available at https://upload.indiacode.nic.in/showfile?actid=AC_CEN_45_76_00001_200021_151780732 https://upload.indiacode.nic.in/showfile?actid=AC_CEN_45_76_00001_200021_151780732 https://upload.indiacode.nic.in/showfile?actid=AC_CEN_45_76_00001_200021_151780732

Where the Ministry is of the view that any verification of a permissible online real money game by an online gaming self-regulatory body is not in conformity with these rules, it may, after giving such body an opportunity of being heard, communicate, in writing, the fact of such non-conformity to that body and direct it to take measures to rectify the same.

6. Rule 4A(13) (Verification of Online Real Money Game) of the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021, available at https://upload.indiacode.nic.in/showfile?actid=AC_CEN_45_76_00001_200021_151780732 4077&type=rule&filename=intermediary_guidelines-dmec_rules_25-02-2021.pdf

The Ministry may, if it is satisfied that it is necessary so to do, after giving the online gaming self- regulatory body an opportunity of being heard, by order, for reasons to be recorded in writing, suspend or revoke the designation of such body:

Provided that the Ministry may, in the interest of the users of any online game that was verified by such body at the same time or at any subsequent time, give such interim directions as it may deem necessary to any intermediary or class of intermediaries regarding enabling its users to access such online game.
